A CHINESE LACQUER CENTRE TABLE

China, *circa* 1860 - 1880

A superb late 19th century Chinese lacquer centre table. Decorated throughout with gilt chinoiseries, on a scarlet red background to the top, and a blackened red base. The scalloped top divided into sections and decorated with stylised landscapes, pavilions and trees with a floral banding around the circumference above a pierced fretwork frieze. Supported on a similarly decorated bulbous baluster pedestal and raised on a stylised lotus flower base.
