**A George II Mahogany Piecrust Tripod Table**

**England, *circa* 1755**

**SOLD**

An exceptional George II Chippendale period mahogany piecrust tripod table. The circular mahogany top with moulded piecrust border of outstanding depth of colour and patina, above a birdcage tilt-top mechanism standing on a fluted and turned acanthus carved baluster stem, on a tripartite base, each cabriole leg magnificently carved with shells and trailing foliage to the knees with exaggerated C-scrolls to the undersides, the legs terminating in elongated claw and ball feet of superb quality.

Height: 27.17 in (69 cm)  
Diameter: 27.56 in (70 cm)
