**China, *circa* 1900**

A superb 19th century black lacquer chinoiserie cabinet with twin doors and elaborate pierced and engraved gilt-metal mounts, escutcheons, and strap hinges in the 17th century taste. The doors opening to reveal some of the original drawers, the remainder of the interior now fitted with a smoked mirrored lining and glass shelves to create a very stylish cocktail cabinet, the base incorporating a single long drawer and standing on fluted and parcel-gilt legs.
