

MACKINNON FINE FURNITURE

A PAIR OF CANTON 'GU' VASE LAMPS

China, circa 1880

A very fine pair of large scale Cantonese *Gu* vases, each beautifully painted with alternating panels of courtly scenes with figures in gardens and birds and butterflies amongst blossoms, with peony scroll borders on a gilt ground, now mounted as lamps with hand-gilded turned bases.

Height of each vase approximately: 15 1/4 in (39 cm) including the giltwood base, but excluding any electrical fitment and/or lampshade.

All of our lamps can be wired for use worldwide.

Height: 1' 3³/₈" in (39 cm)
